

2010 SCOUG – SUMMER TRAINING DAY

SAVE THE DATE – MONDAY, JUNE 7, 2010

The South Central Oracle Users Group will host a SUMMER Training Day event at the Marriott Houston North at Greenspoint in Houston, Texas.

This **FREE** one-day event for SCOUG members offers a full agenda of the latest and greatest information on Oracle Applications, database and tools and includes training/information tracks to bring users informative news on application functionality, enhancements, implementations hints, techniques and module overviews. Breakout sessions, vendor exhibits, lunch, networking opportunities, door prizes and more!

Watch for your special conference invitation with on-line registration and detailed program information. [Also, check out our “NEW” SCOUG website and create your SCOUG account.](#)

If you would like to present a paper, send email to presentations@scoug.org

If you would like to be a sponsor, send email to sponsors@scoug.org

We hope to see you there!

Sincerely,

The SCOUG Board of Directors
